

Colleagues and Friends,

Meet Jessica, who is celebrating 5 years with Cooperative Home Care & Hospice. She's one of 20 caregivers who have been dedicated team members for 5, 10 and even 15 years! We recognized and celebrated their achievements at our 5 local holiday parties this month. Let's do the math:

20 dedicated caregivers X 15 years of service/caregiver X 30 years in business = 9,000 opportunities to help people at home!

I hope by now you're familiar with our Serving & Celebrating in Our 30 Year campaign. We officially have 8 more to go. We want to finish as strongly as we started so if you'd like to request our service for your charitable organization, please contact me (details below). Our offer is sincere; we'd love to support your cause.

I hope your 2016 was fabulous, and I wish all of us a happy, healthy and abundant 2017.

Mathematically & Merrily,

Mitch Waks, CEO & Owner
