

Colleagues and Friends,

I am thankful for your moment to open our e-mail and see what we're up to. We have nominations in every category for Missouri Alliance for Home Care (MAHC) awards, from Public Servant to Pioneer Leadership. Proudly, our "Serving & Celebrating in Our 30th Year" campaign is also booming as we surpassed 20 projects with service at the Hope Lodge this week.

These are only a few of the activities support our primary goal of serving people who are vulnerable and who need help at home. I am thankful for daily opportunities to help our clients and families, thanks to hundreds of dedicated employees. We wish you a Happy Thanksgiving.

Thankfully,

Mitch Waks, CEO & Owner

Paying for Home Care;  
Serving & Celebrating in Our 30th Year

### HOW TO PAY FOR HOME CARE

It's the first question people ask our Intake Nurse, and we understand why. There are different kinds of home care, and it is not as easy as assuming Medicare will pay for everything. We *can* assure you: we'll exhaust every funding source, before you pay out of pocket. [This visual guide is also a good start.](#)

### SERVING & CELEBRATING IN OUR 30TH YEAR

Our 30th year in business inspired us to give back through 30 local service projects from July 2016 through July 2017. [Did we do it? What did we learn?](#)
