

Today, Cooperative Home Care proudly accepted our Top Family Business Award from [St. Louis Small Business Monthly](#). We also had the opportunity to hear from other great family-owned businesses, and I had another, unexpected opportunity. As I accepted our award, I looked on 11 of our employees celebrating with me.

As Cooperative enters our 31st year, these 11 people have over 125 years of experience in their industries and at our company. I think this is an exceptional statistic, and I was struck by the beauty of it. My work family really is an extension of my family; I am thankful for them, and for their dedication to you.

Gratefully,

WE ACHIEVED 30 SERVICE PROJECTS (BUT WE'RE NOT STOPPING THERE)

We soundly met our official goal of completing 30 service projects in our "Serving & Celebrating in Our 30th Year" campaign in June. Meanwhile, our final (32nd!) project is July 16th & 17th, when we'll partner with [Central Reform Congregation](#) to staff their [Room at the Inn \("RATI"\)](#) event. In case you didn't know, read about how it all started [here](#).
