

Cooperative Home Care & Hospice achieved great things in our 30th year, including 33 local service projects that made us and others feel pretty terrific. This week, Hurricane Harvey's devastating effects invite another perspective of how scary it is to be desperately in need, and how important it is to help. If you are inclined, here are three Texas-based options: [The Food Bank of Corpus Christi](#), the [Hurricane Harvey Relief Fund](#), or the [United Way of Greater Houston](#).

As we head into the holiday weekend, we're staying focused on answering your home care questions. We want to help you prepare for the expected and the unexpected with your aging loved one, and we want you to feel confident in our ability to help. Have a safe and sound Labor Day.

Sincerely,

A handwritten signature in blue ink that reads "Mitch Waks".
