## THE SWEEP Issue 8

We'd like to start this week's Sweep with shout-outs to Jennifer Leach and Krista Hammock! Jennifer and Krista are two of our awesome caregivers who are participating in our 25th service project this week, at the Ronald McDonald House. Caregivers are very welcome as we work toward achieving 30 local projects in our 30th year of business. We want YOU to join our "Serving & Celebrating in Our 30th Year" campaign.

### Chili, How to Grow, Facebook & Our Website!

#### CHILI COOK-OFF & SUPERBOWL SQUARES FRIDAY, 2-3, IN ST. LOUIS

What happens when you combine hot and spicy chili with the opportunity to win big? Great things of course! (And possibly some indigestion.) Join us at the St. Louis office for our second annual Potluck (this year's theme IS a chili cook-off) & SuperBowl Squares event. Price per square to be determined; last year we charged \$5. Yvette and Sheri each won \$100, while Karen was our big winner with \$400 (\$100 in the 3rd quarter plus \$300 in the 4th quarter). Plan to send in your \$ in advance and call in, if you want squares and can't be there in person. More details coming soon...

#### HOW IS OUR 2017 COOPERATIVE HOSPICE CAMPAIGN GOING?

This year, we're committed to building our Cooperative Hospice program. Our growth starts with all of us: gaining an understanding of hospice; learning how to gently and compassionately share information; learning what makes our program unique. Look for short, easy to read e-mails that share education directly from our hospice team led by Jennifer Ferguson, RN. Share your ideas to grow and ask your hospice questions directly [right here](#). Thank you for your support!

### LIKE OUR FACEBOOK PAGES

Another great way to stay in touch is through our Facebook pages for Cooperative Home Care, Cooperative Hospice and All-Staff Nursing. Please visit and like them.
