From July 2016 through July 2017, they completed 33 local services projects, totaling over 460 services hours. Their campaign was created to positively recognize their 30<sup>th</sup> year milestone through 30 local service projects. Now, they’ve exceeded their goal, and are planning their 2018 campaign.

Cooperative is often recognized as one of the largest Missouri Medicaid in-home care providers in St. Louis and surrounding counties. They are also unique in their ability to accept every type of home care funding, from Medicaid, Medicare and VA funding, to insurance, worker’s compensation and self-pay. Helping their clients at their most vulnerable is incredibly challenging yet rewarding, just as their
