

## #Thankful

This November, I could focus on the fact that I haven't found the pot of gold at the end of the rainbow. The days are dreary. The wind is biting. I have no idea how the pandemic will evolve during cold and flu season. I expect it will feel impossible sometimes.

Still, I am hopeful for all of us. I love my team, I love our [Core Values](#) and I love the, ahem, delightful Cooperative song I hear during the monthly Ops meeting (*Our Team is Our Faaaaamily...* runs through my head for hours). Thank you for this hope!

Please join me in feeling simply **#thankful** through November. I've asked our Project Manager KristyAnn to post at least one thankful thought each day, on all of our social media. You can't mess this up, I promise!

Check-in on our [Cooperative Home Care](#) and [All-Staff Nursing](#) Facebook pages, and include **#thankful** as you post your pictures on our [Cooperative Facebook](#), [All-Staff Facebook](#), [@ParentsAging](#), and Cooperative [Instagram](#) pages.

Our goal is for every employee to share a reason to be thankful during this difficult, yet beautiful season of living.

Peace,
