

The Alzheimer's Association's #TheLongestDay Fundraiser

"You need courage, confidence, and compassion to serve older adults with Alzheimer's. Cooperative's specialized training, plus our amazing caregivers, equals excellent care #TheLongestDay #ENDALZ"
-KristyAnn Pfister, Project Manager & Integrator

As promised, our **#CooperativeCourtesyCampaign** is off and running! This Sunday, June 20th, is the summer solstice, also known as **#TheLongestDay**. Share your story on our social media, and Cooperative will add \$5 per post to our total donation to the Alzheimer's Association.

Here is my post, which is pictured above:
