

Our CEO & Owner Mitch Waks regularly reminds us to, "Keep going."

Our #CooperativeCourtesyCampaign is off to an amazing start:

- We completed our #TheLongestDay service project, raising awareness through social media, and donating \$500 (\$5 per social media post) to #EndALZ.
- We celebrated our team member, Gwen (in red, above) for her birthday [here](#).
- We surprised our MAHC Volunteer and Community Service Award winner, Mary Ann. After sewing 200+ masks for Cooperative, she was chosen from hundreds of nominees to win this honor. Read all about her nomination [here](#) and her STLToday article [here](#).
- This is Mary Ann coming in the our decorated conference room to receive her award: <https://youtu.be/vKTP7whWFMo>
- This is Mary Ann hearing her original nomination from Mitch Waks, presented by Robin Gladwill: <https://youtu.be/qhCODjJovk>

This week, our #CooperativeCourtesyCampaign made a difference as our team shared courtesy inside and outside Cooperative. We are just getting started.
