

We ate hot dogs and nachos. Then we ate snow cones. Then we more hot dogs and so on. We got hugged and then we got tackled by our favorite guests (hint: the littles). All along the way, we got to party for Cooperative's 35th anniversary. We also honored our 5+ year milestone recipients, and our 1-4 year, 6-9 year, 11-14 year, 16-19 year, and 21-24 year employees. We are thankful for every one of you, and we loved celebrating you.
