

Team,

We recently welcomed Chad Mroz, Medicare Community Liaison, Penny Mitchell, Fairview Heights Client Services Supervisor, and Amy Kennedy, Crystal City Client Services Supervisor, to our team. This is a great opportunity to revisit Cooperative Home Care's website and social media opportunities. There are easy and fun ways that you can support our online efforts, too.

As we kick-off our winter, **#OurOlympics** campaign, please consider helping in a few different ways:

Share your Olympic-themed picture with me (reply to this e-mail or text it to me at 314-779-9900) so I can feature you or your young athlete in a fun post! (First, you'll need to sign our photo release.)

Share the love this Valentine's Day by telling me why you love Cooperative and All-Staff Nursing (reply to this e-mail or text it to me at 314-779-9900). Don't forget to include a picture! Cute pet pictures are very welcome!
